# Several Awards Presented Here For Camp Fire Girl Leadership

The annual council fire of the Camp Fire Girls of the Harbor District, Los Angeles Area Council, was held last week at Torrance Park with an attendance of 750.

The ceremonial was opened by Mrs. Loring Bigelow, District Vice-Chairman, presiding, with the WOHELO Call, which was answered by the girls, who then entered the council fire area singing the "Processional." This was followed by singing of the Camp Fire Law and lighting of the fires of North, East, South and West.

Since Camp Fire Girls all over the nation are preparing

for their 50th anniversary celebration beginning next November, a special opportunity was granted to groups to further the "Gold Rush" with their contributions.

ACHIEVEMENT by Harbor District Camp Fire Girls of two hundred and 45 honors and ranks was recognized as follows: national honors: three-year membership by Mrs. E. B. Eilts, section coordinator; five-year membership by Mrs. Edgar Wilson, district training chairman; Needlework Guild by Mrs. H. T. Unander, section coordinator; and Memory

Book by Mrs. H. Yeargain, district program committee; Jubilee program committee; Jubilee Membership Charms by Mrs. Russell Jones, district group organization chairman; Jubilee Project Honors, Miss Marilyn Jensen, district chairman; Fly-up Recognition by Mr. Woodard Dunlap, district committee; Read Feather Ambassador by Miss Beth Morris, Southern Area director; Swimming Honors by Mrs. Harry Littrell, section coordinator; Candy Sale by Miss Morris; Trail Seeker Rank by Mrs. Robert Shell, district committee; Wood Gatherer Rank by Mrs. Raymond Denlay, district pro-

gram committee; Fire Maker Rank by Mrs. T. G. Smith, district secretary.

IN CONNECTION with the Candy Sale honors, special note was taken of the outstanding service to Camp Fire by the John T. Koseluh family and by Leslie Harthorn for her contribution to the candy sales during the past six years.

A special certificate was awarded to the Harbor District Camp Fire Girls by the National Tuberculosis and Health Assn. in recognition of the outstanding community service performed by the Camp Fire Girls of the District this year.

THE FINE WORK of Mrs. Phyllis Fenger and Mrs. Elsie Earhorne, recipients of the National Wakan Honor for their most recent annual report, also was noted, and appreciation was expressed to the 12 Leaders who were the full-time staff at Day Camp.

THE COUNCIL Fire was interspersed with songs by the girls, including "There is a Little Girl" by the Blue Birds, who comprise the junior program of Camp Fire Girls.

The ceremonial was concluded with the "Closing Song" sung by the girls during their recessional from the council fire area.
